

Atmos Medical - Referral System

Terms & Conditions

- To refer a candidate, referees must be registered with Atmos at the time of making the referral.
- A referral can be made via email, the registration form on the website, via SMS or verbally on the phone.
- Referral must be a new candidate that has not worked with Atmos Medical previously.
- You cannot refer yourself for work.
- If a referral is submitted multiple times from different referees, then the first referral will be eligible for the reward.
- Referrals will be valid for 12 months from the date a candidate referral is received by Atmos.
- A \$500 Gift Card or donation to charity will be offered when the referred prospect is successfully placed through Atmos.
- A successful permanent placement is defined as when the candidate completes the initial three-month full-time-equivalent assignment.

A successful locum referral is defined as when the candidate has worked a minimum of five shifts within twelve months of their referral.

- Atmos Medical reserve the right the amend or terminate this arrangement at any time.
